## **Ronald Abo Receives *Spirit of Tlatelolco* Award** *Architect Honored with Business Award from Denver School*

Ronald K. Abo, AIA received “The Spirit of Tlatelolco” Business Award from Escuela Tlatelolco on Thursday evening. Abo was one of seven honorees in the annual reception to benefit the Denver school for Latino youth.

“My relationship with Escuela Tlatelolco began in the late 1960s when I was an architecture student working with Rudolfo ‘Corky’ Gonzales and his vision for building a community for his people,” Abo said. “Part of that vision was a school, Escuela Tlatelolco. Over the years Escuela has moved several times and we have worked with the staff and students for many years. This has and continues to be a work in progress and I am honored to be a part of it.”

The Abo Group, Inc. created a master plan for Escuela Tlatelolco’s facility on Federal Blvd. The privately funded school has made modifications to the building in several phases to complete life/safety and ADA and educational spaces.

The Abo Group, Inc. is a full-service architectural design and planning firm in Denver with an emphasis on sustainable design and green architecture.
